

Kindergarten – Monday

Book Corner

Read a non-fiction book with an adult. Talk about what you already knew, and share something new that you learned. Draw a picture and write a sentence to go with it.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview

Password:

books)

- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic(getepic.com)

Practice these sight words!

how	had
what	little
him	out
said	when
with	she

Reading Decodables

Read "**We Did It!**" with an adult. Then close the book and retell what happened in the book. Try to be as specific as possible!

Tic Tac Toe

Pick at least 3 Things to Do!

Practice writing neatly numbers 0-20.

Make a pattern with shapes on a sheet of paper.

Add (no using fingers):
 $5+0=$
 $2+1=$
 $3+2=$

Find 20 sight words in a book.

Time yourself while you count to 100. Try to do it in 2 minutes!

Name and write 5 words that rhyme with "can".

Write a sentence about your favorite outfit to wear and draw a picture.

Find and draw 5 things that are taller than you.

Find 5 different rectangles in your house. Draw a picture to show all of them.

Math Corner

Solve this problem by drawing a picture:

There were 8 students sitting at their desks. Three students went to the bathroom. I think there are 5 students still at their desks. Am I right? How do you know?
(the picture)

Freckle

Kindergarten – Tuesday

Book Corner

Read a book with an adult and discuss the problem and solution in the story. Draw a picture of the solution to the problem.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview
Password:
books)
- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic(getepic.com)

Practice these sight words!

some there
out then
your so
come thank
from any

Reading Decodables

Read **“We Did It!”** Go on a word hunt: find and circle each sight word.

Underline all of the “magic” e words. (also called silent e words)

Tic Tac Toe

Pick at least 3 Things to Do!

Write your name (first and last) 5 times as neat as you can!!

Play hide and seek with someone at your house.

Subtract (no fingers):
3-0=
4-2=
2-1=
5-2=

Clap the syllables: kitten, cat, puppy, horse, kangaroo.

Go outside and draw a picture with chalk.

Watch your favorite GoNoodle video and do the dance.

Write a sentence using 3 different sight words that you know.

Illustrate (draw) your favorite thing to do at school.

Name and write three words that rhyme with “hug”.

Math Corner

Solve this number story: There are 4 birds sitting on a tree branch. 5 more birds come and join them. How many birds are on the tree branch now?

Draw a picture and write an equation to go with the story.

Freckle

Login to Freckle and have your child explore the ELA and Math sections that this resource has to offer!

Kindergarten – Wednesday

Book Corner

Write your own story, and draw the pictures. After you have finished, read your story with an adult. Make any needed changes to your writing, then read it to them again. Now you are ready to share it with others!

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview
Password:

books)

- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic(getepic.com)

Practice these sight words!

every now
new our
who why
how are
where saw

Reading Decodables

Read **"We Did It!"** Draw your own picture of Eve and Pete making and flying their kite.

Tic Tac Toe

Pick at least 3 Things to Do!

Practice subtraction flashcards

Write your address (city, state, street). Then clap them to find out many syllables each has.

Write a letter to a friend or family member you haven't seen in a while.

Choose a book to read with an adult. Find where the author and illustrator's names are.

Count to 100 by ten.

Write your number words 0-10. Then write the numbers next to each.

Go outside and do some jumping jacks, push ups, hop on one foot, and run a lap around the house.

Look for 5 different shapes (2-D or 3-D) in your house.

Practice all 4 quarters of sight words. Count how many you know.

Math Corner

If I have 8 apples, and then get 2 more, then I have 10 apples altogether.

See if you can find 5 other ways to make 10. You can use counters, draw pictures, or even real apples to help you!

Freckle

Login to Freckle and have your child explore the ELA and Math sections that this resource has to offer!

Kindergarten – Thursday

Book Corner

Read a book with an adult and talk about the characters. Pick your favorite character and draw a picture of him or her. Write a sentence telling why he or she is your favorite character.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview
Password: books)
- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic(getepic.com)

Practice these sight words!

new please
be she
they be
what was
were for

Reading Decodables

Read **"We Did It!"**. Circle every word that has the letter "E" in it. How many words in the book start with the letter "P"?

Tic Tac Toe

Pick at least 3 Things to Do!

Try and create some 3-D shapes with paper or playdoh.

Count how many rooms are in your house. Draw a picture of your favorite room.

Subtract:
 $8 - 6 =$
 $4 - 0 =$
 $6 - 5 =$
 $3 - 1 =$

How many sight words do we have that start with "T"? Write them all!

Write your first and last name neatly 3 times.

Count as high as you possibly can go!

Sing your favorite song while you dance around the room.

Watch your favorite movie with your family. Write and draw your favorite part.

Draw a picture of what you had for breakfast. Try and spell it!

Math Corner

Play **Hiding Bears Game**: Find 10 of some kind of small counter or object. We use bears in class.

Put all 10 counters on the table. 1 person closes their eyes and the other hides some counters. The person with their eyes closed opens and looks at the counters left. Look at how many are left to figure out how many counters the other person hid. (Know that there were 10 to start) Then switch roles!!

Freckle

Login to Freckle and have your child explore the ELA and Math sections that this resource has to offer!

Kindergarten – Friday

Book Corner

Read a book with an adult. Go back and look at each page in the book to find as many sight words as you can. Write down the sight words on a piece of paper using colorful pens, markers, crayons, etc.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview

Password:

books)

- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic(getepic.com)

Practice these sight words!

have	her
by	my
girl	said
she	we
boy	all

Reading Decodables

Read "**We Did It!**". On a piece of paper, draw your own design for a kite.

Bonus: Have someone help you make your own kite and fly it! You might need some paper, straws, string, tape, glue.

Tic Tac Toe

Pick at least 3 Things to Do!

Use crayons or markers to rainbow write your name.

Draw a rainbow. Then write the color words for each color in the rainbow.

Solve:
I had 10 cupcakes. I ate two of them. How many are left?

Play your favorite game with someone at home.

Count to 100 by 1's, 5's, and then 10's.

Find 2 pairs of sight words that rhyme with each other.

Draw a picture of your classroom at school. See if you can remember lots of details.

Name 5 different things that start with the letter A.

Go outside and read a book.

Math Corner

Put some cereal in a bowl. Estimate how many pieces of cereal you think are in the bowl.

Then count each piece to see how close you were.

Suggestion: Put the pieces of cereal in groups of 10 to make counting easier.

Freckle
