

Happy Monday!

As the long distance learning continues, we hope that the weekly learning menu is a helpful tool for you and your student to keep learning at home.

Attached you will find the distance learning menu for the week of April 13th-17th. Once again, we are continuing to find activities that will help develop foundational skills such as letter identification, letter sounds, sight words, sounding out words to read new and unfamiliar text, and addition and subtraction facts. Continue using your student's third quarter assessments and progress reports to see which areas your child was struggling with and spend some extra time on those areas.

If you have any questions, please feel free to reach out at any time. We are happy to answer questions, give guidance, send resources, or help in anyway.

Thank you for all you do,

The Kindergarten Team

Kindergarten - Monday

Book Corner

Read a book with an adult and talk about how it relates to your life. Draw a picture and write a sentence to go with it.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview
Password: books)
- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic(getepic.com)

Practice these sight words!

then every
be from
she now
any your
come thank

Reading Decodeables

Read "**An Old Flag**" to two people or objects in your house (think shoe or toy). Then color the pictures.

Tic Tac Toe

Pick at least 3 Things to Do!

Draw a circle, square, rectangle and triangle

Go outside!
Draw with chalk or do 17 jumping jacks!

Add
 $2+1=$
 $5+0=$
 $1+3=$
 $3+2=$

Read a book while eating a snack.

Count to 100 by ones

Name three things that rhyme with west

Finish writing this story and draw a picture :
There is a big purple . . .

Read these words
net fit
pop hip
yam gum

Teach someone about the teen numbers

Math Corner

Count 100 objects such as pennies! Then put your objects into groups of 10 and count by tens!

Try a skip counting video on Go Noodle!

Freckle

Login to Freckle and have your child explore the ELA and math sections that this resource has to offer!

Kindergarten - Tuesday

Book Corner

Read a book with an adult and discuss the setting in the story. Draw a picture of the setting and label your picture.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview
Password: books)
- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic(getepic.com)

Practice these sight words!

your thank
so from
come any
please every

Reading Decodeables

Read "**An Old Flag**". Go on a word hunt and circle each sight word you find.

Tic Tac Toe

Pick at least 3 Things to Do!

Pour rice on a cookie sheet and practice writing your name.

Write about your favorite movie. Tell why!

Add
 $5+0=$
 $2+3=$
 $4+1=$
 $2+0=$

Pick a stuffed animal buddy and read a story to it.

Practice addition flashcards.

Sort a bag of M&M's or Skittles by color—then enjoy!

Read the sentence and illustrate it!
I played at the park.

Count to 100 beginning at 42

Get a toothbrush. Find 4 things longer and 4 things shorter. Put the objects in order.

Math Corner

Using magazines, coloring books, printed pictures, or drawings, cut out as many triangles, squares, and rectangles as you can find.

Glue the shapes onto a piece of paper to create a collage.

Freckle

Login to Freckle and have your child explore the ELA and Math sections that this resource has to offer!

Kindergarten - Wednesday

Book Corner

Read a book with an adult. After you have finished, reread the story together but come up with a new ending for the story. Draw a picture and write words to match your new ending.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview Password: books)
- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic (getepic.com)

Practice these sight words!

who are
why saw
how want
where good

Reading Decodeables

Read "**An Old Flag**". Go back through the story and highlight each capital letter you find.

Tic Tac Toe

Pick at least 3 Things to Do!

Form the numbers 0-10 with playdough

Write a sentence using the word "where"

Subtract
 $1-1=$
 $2-0=$
 $3-1=$
 $4-2=$

Find three things that begin with the letter B. Draw a picture and write the words.

Skip count by 5s to 100

Name three things that rhyme with hog.

Write the letters of the alphabet. Trace the vowels with red.

Pick five sight words to write and trace them with colorful pens, markers, or crayons.

Read these words
jump
pump
bump
How are they alike?

Math Corner

Using items from your pantry or cabinets, sort the items by 3-dimensional shapes. Find as many different rectangular prisms and cylinders as you can. Look for other 3D shapes as a bonus!

Freckle

Login to Freckle and have your child explore the ELA and Math sections that this resource has to offer!

Kindergarten - Thursday

Book Corner

Read a book with an adult and talk about the characters. Pick your favorite character and draw a picture of him or her. Write a sentence telling why he or she is your favorite character.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview
Password: books)
- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic (getepic.com)

Practice these sight words!

for her
all what
look was
with were

Reading Decodeables

Read "**An Old Flag**".
Design and draw your own flag.

Math Corner

Collect a variety of toys from your room or from around the house. Try to sort your toys using their color as the "rule". Next, sort your toys by size. If you have extra time, find other ways to sort your toys and see if a friend or parent can guess the rule!

Tic Tac Toe

Pick at least 3 Things to Do!

Practice writing uppercase letters.

Find three things that begin with the letter P. Draw a picture and write the words.

Add
 $1+3=$
 $4+1=$
 $3+2=$
 $1+0=$

Write a sentence using the sight word "look"

Skip count to 100 by 10s.

Find the ending sound:
bat
pack
man

Play "I spy" but with letter sounds!
"I spy something that starts with "T"

Practice 1st quarter sight words.

Look out your window and draw a picture of what you see.

Freckle

Login to Freckle and have your child explore the ELA and Math sections that this resource has to offer!

Kindergarten - Friday

Book Corner

Read a book with an adult. Go back and look at each page in the book to find as many sight words as you can. Write down the sight words on a piece of paper using colorful pens, markers, crayons, etc.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview
Password: books)
- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic(getepic.com)

Practice these sight words!

said now
do new
down our
they she

Reading Decodeables

Read "**An Old Flag**". Look up pictures of the state flags online. Write about your favorite flag and tell why you like it.

Tic Tac Toe

Pick at least 3 Things to Do!

Write a letter or draw a picture for a friend.

Name three things that rhyme with pot.

Subtract
4-3=
3-1=
4-2=
2-1=

Write about if you would rather eat cookies or ice cream. Tell why

Count to 100 beginning from 36

Write a story about your dream vacation. Where would you go and what would you do?

Read a book with a friend, sibling, or parent using silly voices

Find three things that begin with the letter D. Draw a picture and write the words.

Practice 4th quarter sight words.

Go on a number walk around your house or neighborhood . Take a paper and pencil with you. As you

walk, encourage your child to look for numbers on signs, cars, buildings, and so on. Put a tally mark for each number you see. When you are finished, turn your tally chart into a bar graph.

Freckle
