

Dear families,

We hope that each of our families are doing well and staying healthy. We are missing your little ones and their smiles each day.

Attached you will find the distance learning menu for the week of April 6th-10th. The best way to help your child is to continue practicing those foundational skills that will help them moving into first grade. These skills include letter identification, letter sound, sight words, sounding out words to read new and unfamiliar text and addition and subtraction facts. It's a great idea to use those third quarter assessments and progress reports to see which areas your child was struggling with and spend some extra time on those areas.

As always, we are available to answer questions, give guidance, send resources or help in anyway. Please do not hesitate to reach out.

Thank you for all you do,

The Kindergarten Team

Kindergarten – Monday

Book Corner

Read a book with an adult and discuss the characters in the story. Draw a picture and label and/or write a simple sentence about them.

Here are some different ways you can access books:

- Your own collection
- Public Library (check out books or e-books)
- Tumblebooks (Username: greeneview
Password: books)
- Storyline Online (storylineonline.net)
- Bookflix (with your Greene County Public library card)
- Epic(getepic.com)
